

Pupils' Worksheet H1

How to Make a Presentation

(in assembly or to a community group)

1. Decide on the main points to talk about.

Brainstorming. Put your main topic in the middle of a sheet of paper and surround it by all the other things you want to say. See below.

2. Make a flow chart of the order ideas link together.

Tell the story. Put each main idea you want to talk about into a box in an order that makes sense.
