

Pupils' Worksheet H3

Which projects have you worked on since then?

Is there one project that you are particularly proud of? Give some details of this.

Do you think that EMAS has been good for your school? If yes, tell people why.

What plans does your school have for environmental work in the future?

Do you have a quote about EMAS in your school? Newspapers like to have a quote. See tip below.

A quote is something that a person has said in their own words. This could be your Head, a pupil or teacher. Quotation marks (") are used to show that the sentence is exactly as someone has said it. For example: John said, "EMAS has been really good for our school"
