

Pupils' Worksheet H3

Writing an article for a newspaper or newsletter

This worksheet will help you to write an article about the EMAS project in your school. You could then send it to a newspaper to tell people about your environmental work in school or use it in your school newsletter. You could use the same format for a different subject or about one topic that you have worked on in your EMAS topic e.g. School grounds.

Write your answers under the questions:

My name is

The name of my school is

We have been working on the EMAS project for (Months or years)

We started off by setting up an EMAS club called

How many people are in this club? Are they all pupils or are there adults as well? What years are the pupils from?

What did the EMAS club do first?
