

## Pupils' Worksheet 12

### Growing Your Own Food in School

#### Activity 1:

Think about 3 things that plants need to be able to grow, and write them below:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

#### Activity 2:

Draw a plan of your school grounds. Colour in green and number the areas that you think could be suitable for growing food at school. For each area describe why you think it might be good for plants.
